

# MIKE LIKES THE SUMMIT HILLTOPPERS

*Councilman Mike Vernotico '64 and Johnny Mallory '64 were teammates on legendary Coach Howie Anderson's 1962 and 1963 State and Conference Championship Teams. In fact, the '63 squad was Summit High's first undefeated, untied team, something Mike & Johnny are still very proud of. Johnny's #22 was retired by SHS in a half-time ceremony emceed by Mike. Johnny worked with the late Recreation Director Dom Guida to launch our now great Youth Football Program. Mike got Council to agree to name the Gym at the Community Center after Dom for his dedication to Summit's youth. Mike has been heavily involved in youth & varsity sports for the last 16 years, including developing a Flag Football Program for disabled children. Mike has coached close to 1,000 young men trying to instill our great Hilltopper spirit in each and every one of them.*

*And... thanks to Mike, our great complex is now named TATLOCK PARK.*

*Mike and Johnny salute all Hilltoppers ...*

*past, present and future and look forward to many more Championship Seasons.*
